To whom it might concern.

I am almost blind and can not attend meetings any longer -

Since I have been a member for 25 years I should be qualified for a life time membership.

I am willing to contribute \$ 10.00 a year to cover the price of the bulletin. I do have a number of items that could be put on the raffle table. Someone would have to come to my residence to pick them up, and after the meeting be responsible to take them away.

Please call me at 414-453-1451

Thank you. Chet NIAAI

Dear Chester,

The Board of Directors for the Milwaukee Radio Amateurs' Club is pleased to inform you that your membership status has been changed from Regular membership to Life membership. The primary benefit of being a Life member is that dues will no longer be required to maintain membership. However, if you wish to continue to receive the "Hamateur Chatter" newsletter, a reduced dues fee of \$10 per year will be required.

MRAC acknowledges receipt of your Life Member dues for the year 2004. Thank you.

Congratulations on behalf of the MRAC board for your many years of service to our club.

Sincerely,

MRAC Board of Directors
